CITY OF FARIBAULT:
JOURNEY TO 2040
"Shaping our Future"

PARKS, TRAILS, & OPEN SPACE STEERING COMMITTEE: MEETING #4

REVIEW PARK MASTER PLANS & SYSTEM PLAN

JANUARY 17, 2019

AGENDA
Parks, Trails, & Open Space Steering Committee: Meeting #4

6:00   Review Results of December 13 Community Forum

6:10   Review Revised Park Concepts

6:40   Review Overall Park System Plan

7:10   Prioritization Activity

7:50   Next Steps

8:00   Adjourn

Meeting #4 Goals

✓ *Review results from Community Forum and other relevant public engagement*

✓ *Review Overall Park System Plan and how it links individual parks together through a network of trails and open spaces*

✓ *Build consensus for where and how best to better connect the park system*

REVIEW RESULTS OF DECEMBER 13 COMMUNITY FORUM

Results Slide

Park System Priorities

- Parks provide natural areas that can help with stormwater
- Parks support a treecanopy that helps with air quality and temperature
- Parks conserve important/rare species, trees, plants and wildlife
- Parks provide opportunities for all people to learn (about nature, history, art, etc.)
- Parks provide beautiful spaces for people of all ages and demographics to gather
- Parks are spaces where everyone is welcome
- Parks increase the value of adjacent and nearby properties
- Parks help attract new businesses, residents, and visitors
- Parks provide ways for people to be active, leading to a healthy community

Results Slide

Park System Priorities

Natural Environment (8 votes)
- Parks provide natural areas that can help with stormwater
- Parks support a treecanopy that helps with air quality and temperature
- Parks conserve important/rare species, trees, plants and wildlife

Cultural Institutions (1 vote)
- Parks provide opportunities for all people to learn (about nature, history, art, etc.)

Community Building (12 votes)
- Parks provide beautiful spaces for people of all ages and demographics to gather
- Parks are spaces where everyone is welcome

Built Environment (0 votes)
- Parks increase the value of adjacent and nearby properties

Economic Development (11 votes)
- Parks help attract new businesses, residents, and visitors
- Parks provide ways for people to be active, leading to a healthy community

PRIORITIZATION ACTIVITY

1. Park programs are organized by relative implementation cost
($ Low - $$$$$ High)

2. You will be given "short term Faribault Dollars" and "long term Faribault Dollars"

3. If you want to spend dollars on a program, you must spend all the dollars required

GREEN "FARIBAULT DOLLARS" ARE SHORT TERM INVESTMENTS (10 TOTAL)

PURPLE "FARIBAULT DOLLARS" ARE LONG TERM INVESTMENTS (20 TOTAL)

NEXT STEPS

Next Steps

✓ **PSC Meeting #5** – February 14th

✓ **Review Draft Parks, Trails, & Open Space Document**
