

CITY OF FARIBAUT:
JOURNEY TO
2040

"Shaping our Future"

PROJECT OVERSIGHT COMMITTEE MEETING #7

SEPTEMBER 20, 2018

AGENDA

Project Oversight Committee Meeting #7

- 6:00 Agenda and Meeting #7 goals
- 6:05 Community Forum Meeting #1 Overview
- 6:20 Review Downtown Steering Committee Meeting #2
- 7:00 Overview of Upcoming Parks Steering Committee Meeting #2
- 7:25 Group Parks Activity
- 7:55 Next Steps
- 8:00 Adjourn

Meeting #1 Goals

- ✓ *Review of Community Advisory Group Meeting #1*
- ✓ *Review of Downtown Steering Committee Meeting #2*
- ✓ *Overview of Upcoming Parks Steering Committee Meeting #2*

A group of people are seated at long wooden tables in a large room with stone walls and large windows. They appear to be participating in a community forum or meeting. Some people are looking at papers or maps on the tables, while others are engaged in conversation. In the foreground, a man in a green t-shirt is seen from the back, looking towards a man in a dark suit who is writing on a flipchart. The flipchart has some text on it, including "COMMUNITY FORUM #1". There are water bottles, a red bowl, and other items on the tables. The overall atmosphere is collaborative and focused.

OVERVIEW OF COMMUNITY FORUM #1

Downtown: Responding to Change

- ✓ *Thursday, August 23, 2018*
- ✓ *South Central College*
- ✓ *Advertised via:*
 - ✓ *E-mail blasts*
 - ✓ *City website*
 - ✓ *Project website*
 - ✓ *Project Facebook page*
 - ✓ *Faribault Daily News article*
 - ✓ *Flyers distributed at other events*
- ✓ *Approximately 70 participants*

Downtown: Responding to Change

- ✓ *Small group discussions revolved around five themes or topics:*
 - ✓ *Built Environment*
 - ✓ *Economic Development*
 - ✓ *Community Building*
 - ✓ *Cultural Institutions*
 - ✓ *Natural Environment*
- ✓ *Each group identified their top 3 'opportunities' for their theme*

Downtown: Responding to Change

BUILT ENVIRONMENT

- Improve connections to downtown (trail connections to regional trails)
- Green space near viaduct
- Historic bldgs + rehabilitation to bring these bldgs into use

- **Historic buildings and rehabilitation to bring these buildings back into use - 40%**
- Green space near viaduct - 36%
- Improve Connections to downtown - 23%

ECONOMIC DEVELOPMENT

- Entertainment + Arts (things to do, lifestyle, parks)
- Start up businesses downtown (affordable space)
- Renovation of historic bldgs (renovate and support economic development)
- Event based marketing
- Look, touch, feel business
- Fill empty space

- Entertainment and arts (things to do, lifestyle, parks) - 37%
- Start-up businesses downtown (affordable space) - 35%
- Renovation of historic buildings (renovate and support economic development) - 13%
- Fill empty spaces - 11%
- Look, touch, and feel businesses - 4%
- Event based marketing - 0%

COMMUNITY BUILDING

- Easy to find things you need
- Close to city bldgs (library, city hall, etc)
- Historic buildings (beautiful buildings)
- Place for everyone to work, play and create shared spaces (places to bring people together)
- Green spaces
- Organizations that build collective capacity

- **Place for everyone to work, play, and create shared spaces (places to bring people together) - 53%**
- Green spaces - 30%
- Historic buildings (beautiful buildings) - 12%
- Close to city buildings (library, city hall, etc.) - 5%
- Easy to find things you need - 0%
- Organizations that build collective capacity - 0%

CULTURAL INSTITUTIONS

- Housing
- Town Square (gathering place with diverse celebrations)
- Diversity represented in leadership and workforce
- Live / work / play / visit
- Greenspace + cultural events
- History and culture to expand opportunities

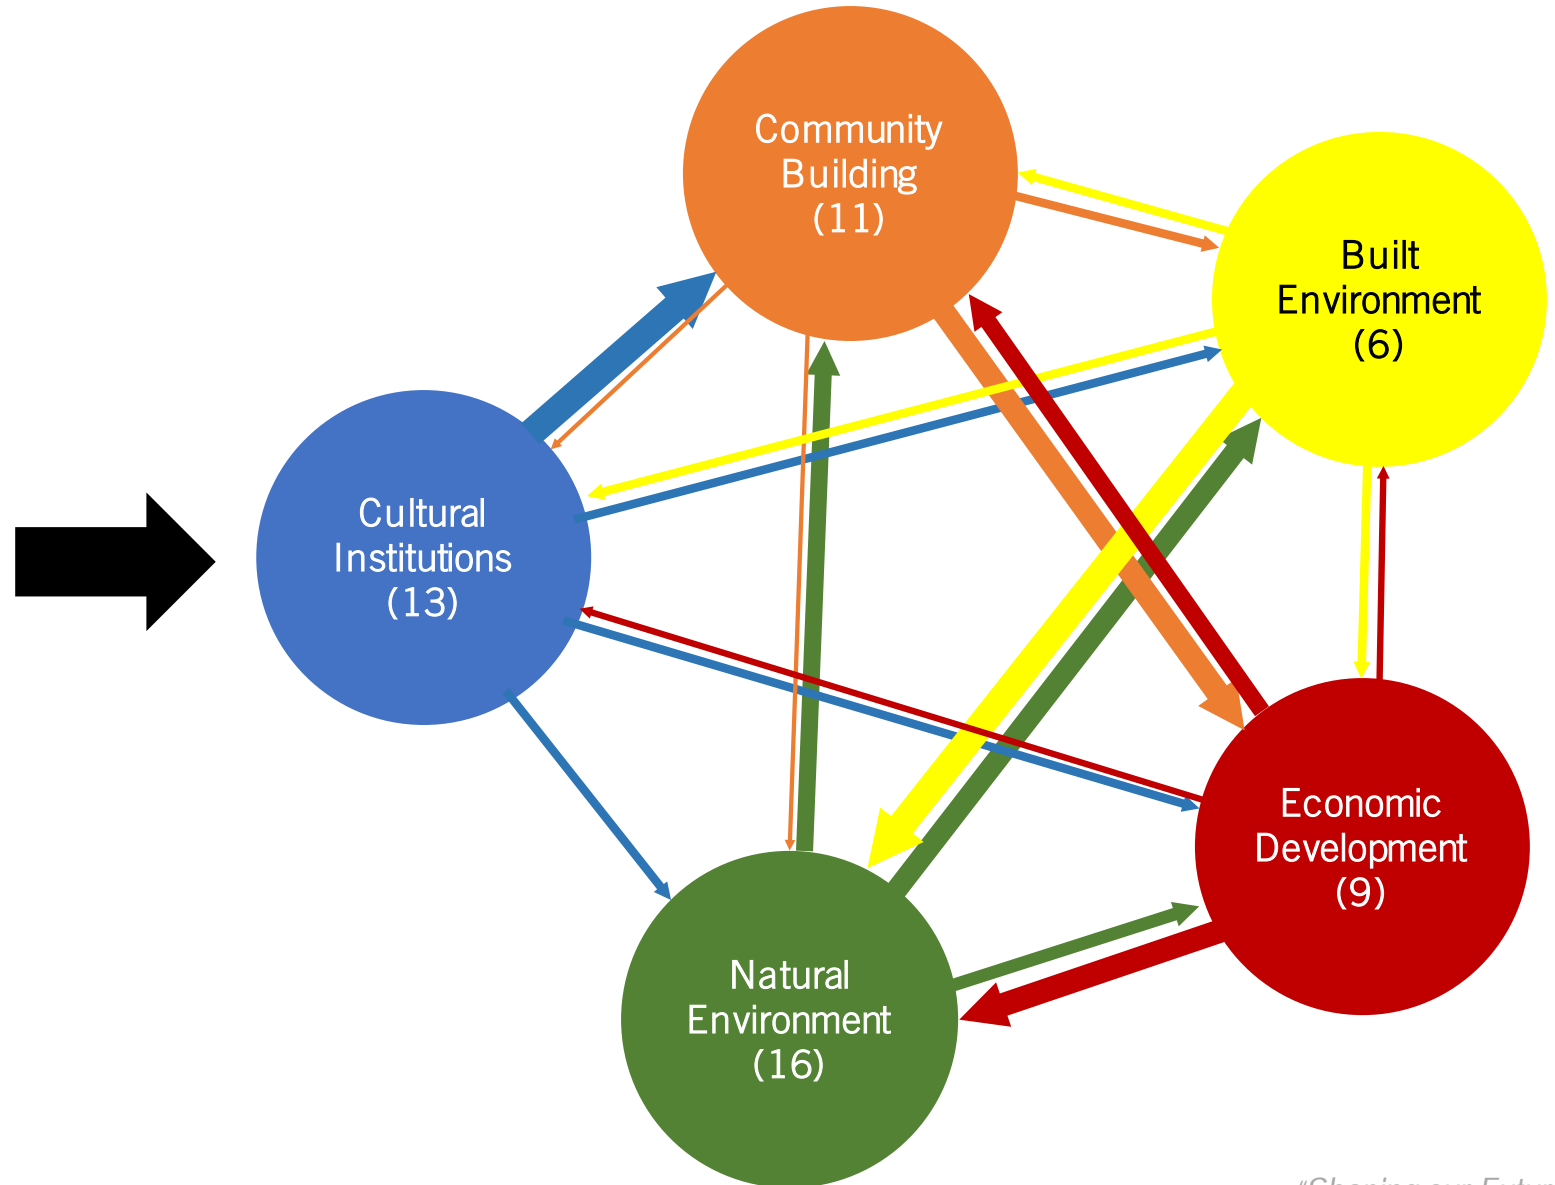

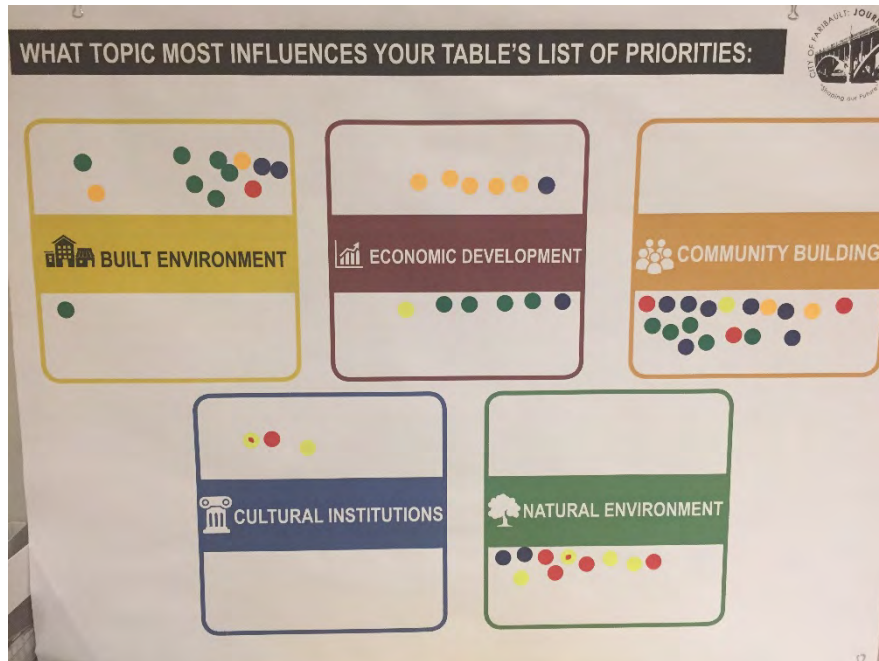

- Live/work/play/visit - 29%
- Town square (gathering place with diverse celebrations) - 26%
- Housing - 21%
- Diversity represented in leadership and workforce - 14%
- Greenspace and cultural events - 10%
- History and culture to expand opportunities - 0%

NATURAL ENVIRONMENT

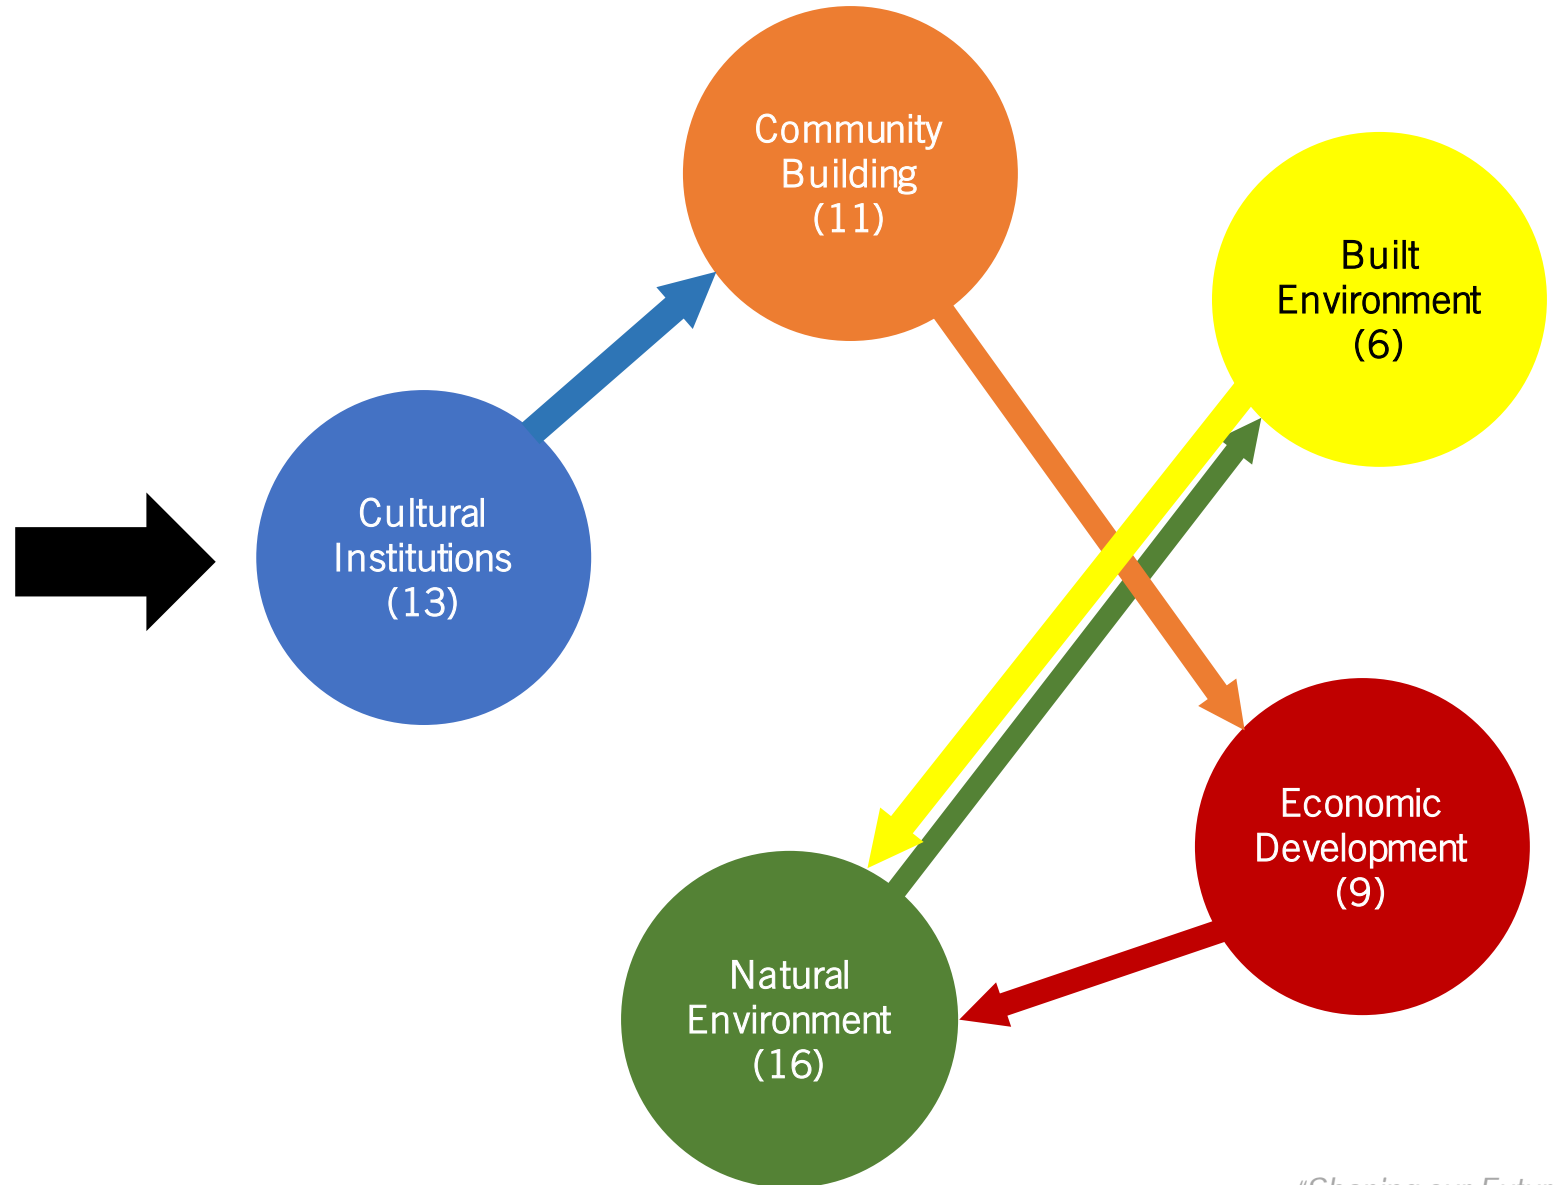

- Greenspace (vegetation)
- Stormwater treatment
- Carbon footprint (sustainability)
- River, watershed, naturalized area (less maintenance and chemicals)
- Multi-cultural eateries
- Gardens/pollinator gardens that can serve as educational amenities

- **Multicultural eateries - 57%**
- River, watershed, naturalized area (less maintenance and chemicals) - 19%
- Gardens/pollination gardens that can serve as educational amenities - 11%
- Green space (vegetation) - 8%
- Stormwater treatment - 3%
- Carbon footprint (sustainability) - 3%

IDEA GENERATION RESULTS

On May 23, 2016, 83 people came together at the South Central College Event Center in Faribault to discuss ideas to help strengthen the future of Faribault. In advance of the workshop, City Staff assigned each participant to one of 13 Technical Advisory Committees. Each committee discussed their ideas to enhance Faribault in ways that relate to their assigned element of the Comprehensive Plan (for example, land use, transportation, housing, etc.). They then recorded five (or fewer) of their top ideas on a large sheet of paper. Each committee posted their sheet of paper on a wall. Every workshop participant then had the opportunity to cast one vote for the best idea in each of the 13 topics. The following tables provide a summary of the top ideas for each of the 13 topics and the number of votes each idea received.

DOWNTOWN		
Rank	Votes	Idea
1	29	Strengthen the connection between the Straight River and downtown. Develop and implement a plan to connect the Straight River and Downtown. Explore potential options for parks, camping, activities, and trails.
2	20	Establish a Downtown Development Corporation. Establish a Downtown Development Corporation to coordinate marketing, planning, and development investment in the downtown.
3	15	Prepare and implement a comprehensive parking solution for the downtown. Explore the feasibility of developing parking ramps in the downtown. Identify opportunities to provide assigned parking for business/residential owners and renters.
4	10	Develop a master plan for downtown housing. Develop a Master Plan for Downtown Housing that includes potential actions for incentivizing the development of residential lofts and provides an appropriate mix of low-density affordable housing units.
5	4	Prepare and implement a plan to create a makerspace and/or museum in the downtown. Explore possible downtown locations for an attraction, such as a makerspace (a collaborative workspace) and/or museum, which will draw people to the downtown.

ECONOMIC DEVELOPMENT		
Rank	Votes	Idea
1	35	Promote quality of life/tourism. Develop and invest in ideas (or industries) that make Faribault a place people want to live, work, grow, and invest in.
2	19	Provide economic development tools and resources. Provide tools and resources that are flexible and good for small businesses. Partner with others who can strengthen Faribault.
3	13	Ensure appropriate land for development. Inventory existing land uses. Explore ways to enhance existing properties and development in the city. Identify willing sellers of developable land. Work with adjacent towns on annexation agreements as needed.
4	11	Establish and implement an effective development process. Ensure that Faribault has an efficient, simple, streamlined, and friendly development process.
5	4	Understand Faribault's role in economic regions. Identify economic regions and explore how Faribault can relate to those regions. View Faribault as an integral part of a region in which we work with other entities to ensure Faribault and the region are economically successful.

Page | 1 of 6

4	7	Promote awareness and understanding of housing options and processes. Continue to coordinate with others to understand housing needs and to communicate housing options and processes to those in need of housing.
3		Develop a plan to provide high-end condominiums, townhomes, and apartments that meet the needs of the community. Analyze the need for high-end housing. Develop and address those needs.

TRANSPORTATION		
Votes	Idea	
26	Incorporate enhancements into major corridor improvement projects. Incorporate enhancements, including landscaping, ornamental lighting, and similar streetscape elements, into major corridor improvement projects.	
9	Complete a perimeter trail system. Complete the City's perimeter trail system in a manner that connects Faribault internally and to other communities.	
	Provide a multi modal transportation system that meets the needs of our diverse population. Continue to ensure that Faribault has a public transit system that meets the needs of residents. Adopt and implement complete streets policies. Develop or enhance safe routes to school. Ensure that the transportation system is compliant with the Americans with Disabilities Act.	
	Upgrade the south interchange of CSAH 48 in concert with existing and planned roads and trails. Continue to work with others to study and eventually implement improvements to the south interchange of CSAH 48.	
	Prepare and/or refine development standards related to multi modal transportation facilities. Consider the need to integrate multi modal transportation facilities in development and redevelopment projects as appropriate.	

PARKS AND RECREATION		
Rank	Votes	Idea
1	26	Enhance the parks and recreation connection to our rivers. Develop and implement a plan to increase and enhance parks and recreation opportunities along our rivers.
2	19	Enhance trail connections to the downtown. Ensure that the existing and planned trail system provides strong connections to the downtown area.
3	13	Enhance, and/or expand a recreation field house and/or baseball fields. Explore ways to increase revenue and provide multi-use recreation options by increasing the number of and/or developing or enhancing field houses in Faribault.
4	11	Enhance mobile park programs in the community. Expand mobile park programs to better serve the needs and desires of our diverse population.
5	4	Implement a plan to expand and/or enhance disc golf. Work with others to develop and address those needs as appropriate.

THE CITY OF FARIBAULT
WELCOMES YOU TO
THE DOWNTOWN COMMUNITY
DESIGN CHARRETTE!

OPEN TO THE PUBLIC!

WEDNESDAY, AUGUST 15 3:00 PM - 5:00 PM
THURSDAY, AUGUST 16 10:00 AM - 6:00 PM

REVIEW DOWNTOWN STEERING
COMMITTEE MEETING #2

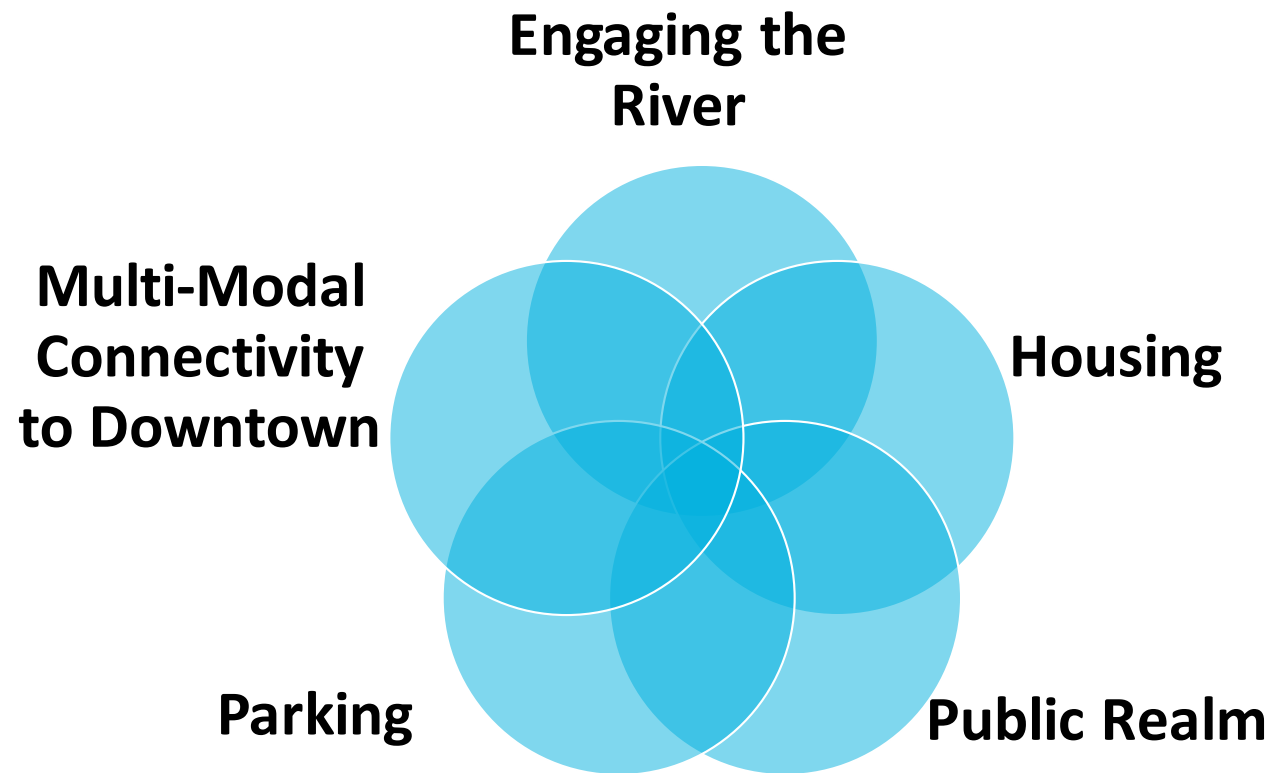

Downtown Design Charrette – August 15 & August 16

- What is a "Charrette"?
 - Collaborative meeting to sketch designs & explore ideas
 - Goal is to become inspired & make better design decisions

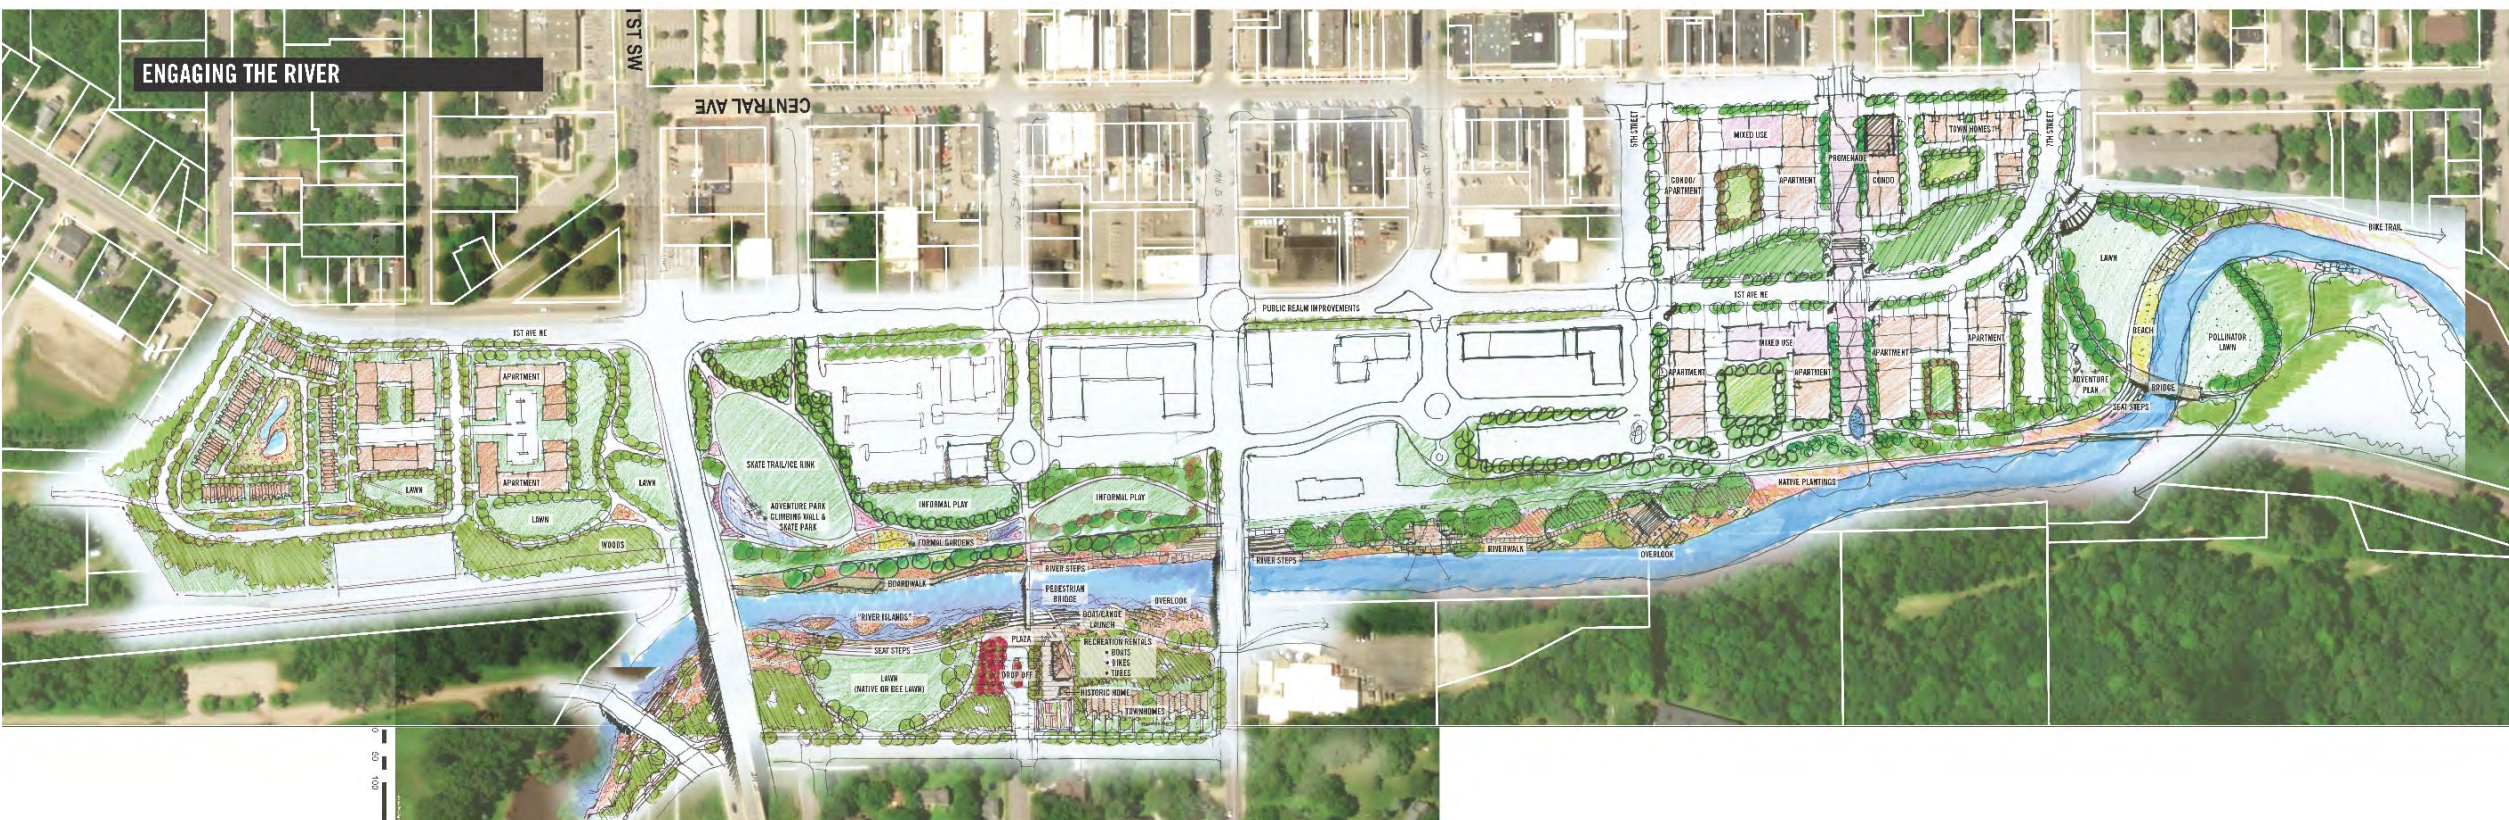

Charrette Themes

- *Five major themes emerged from the activities:*

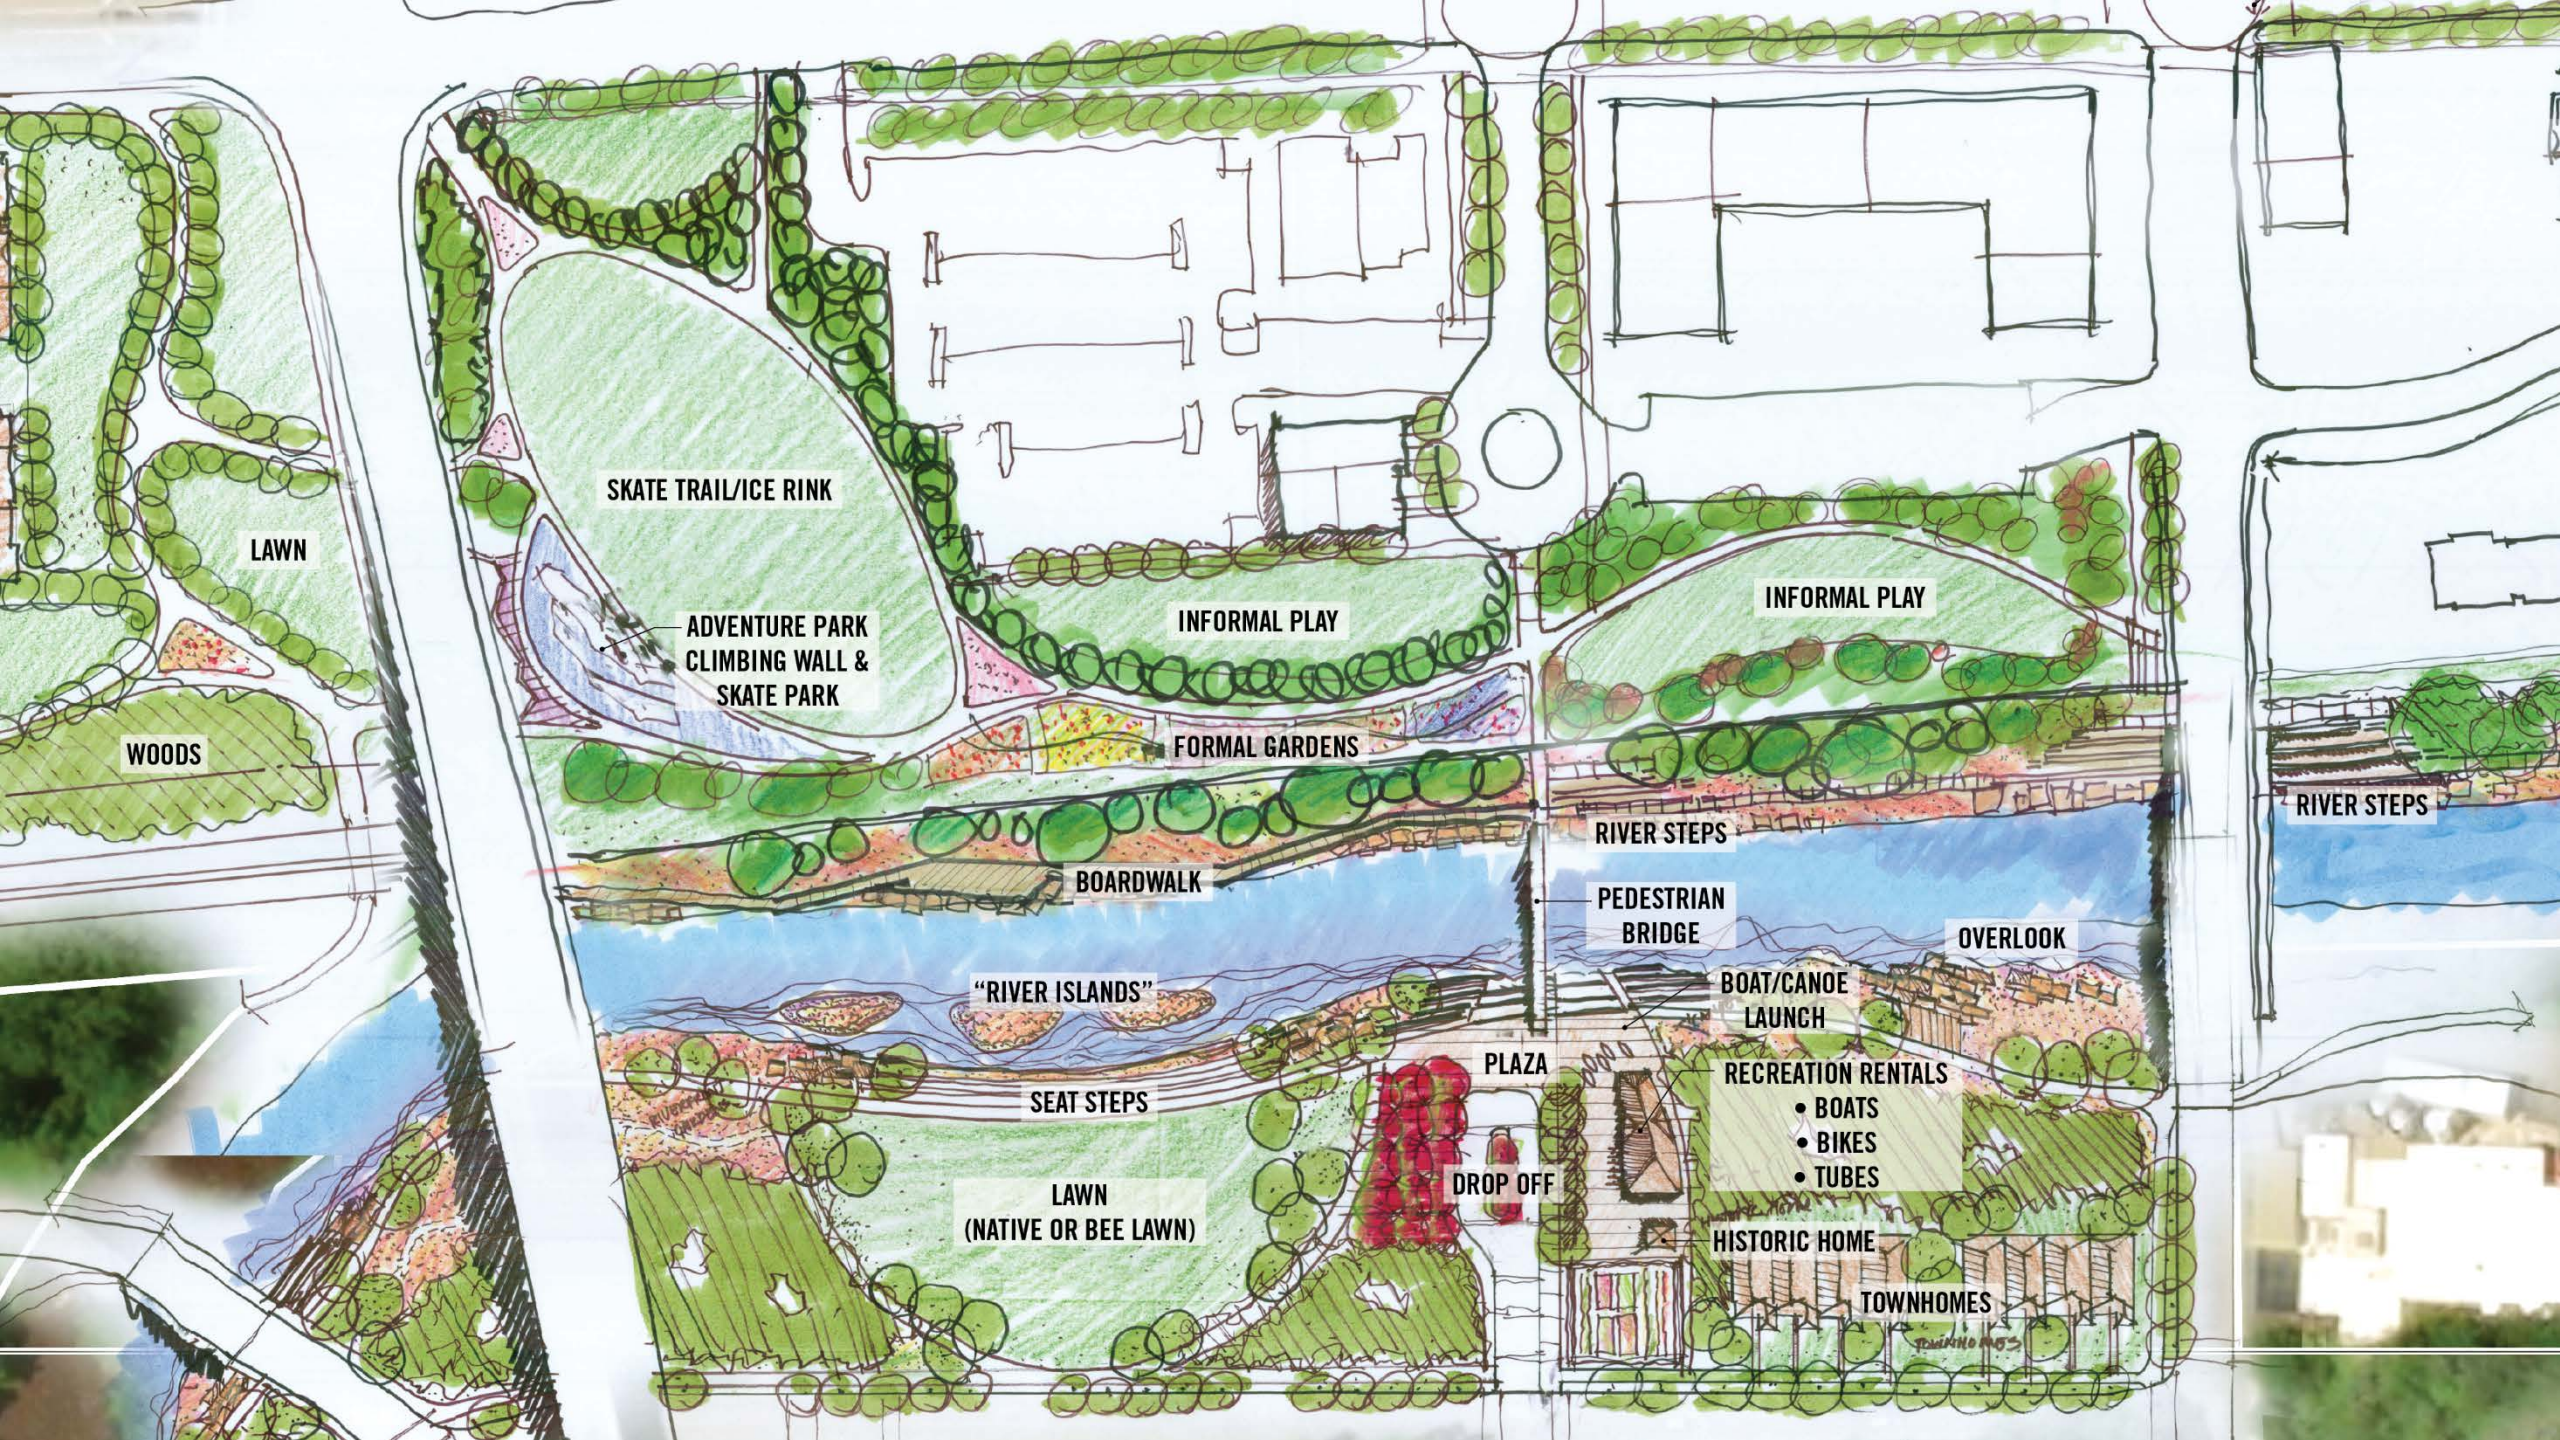

A dark, atmospheric photograph of a park scene. In the foreground, a river flows from the bottom right towards the center. A curved stone wall separates the river from a paved walkway. A person is standing on the walkway, looking towards the river. In the background, there are trees, some with bare branches and others with green leaves. A large, multi-story building with many windows is visible in the distance. A flagpole with a flag is also visible. The overall tone is dark and moody.

A photograph of a modern urban waterfront area. In the foreground, a river flows through a landscaped bed with rocks and greenery. A paved path runs alongside the river, where a person is riding a bicycle. In the background, a concrete bridge spans the river, and a large, arched structure, possibly a bridge or a building, is visible. The scene is set during the day with some overcast lighting.

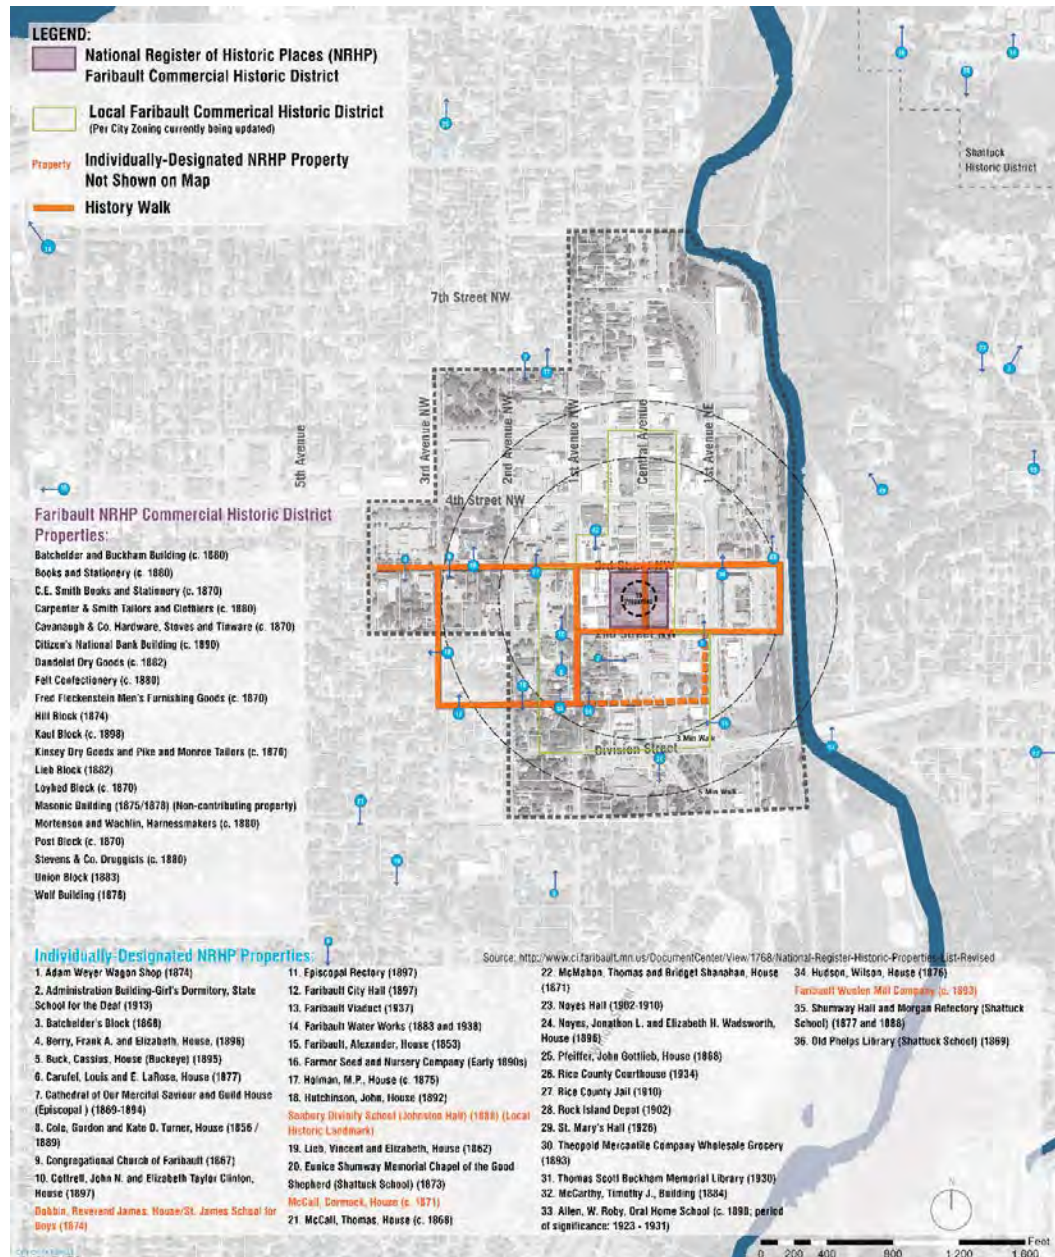

CONCEPTS FOR "MULTI-MODAL CONNECTIVITY TO DOWNTOWN"

Green Routes

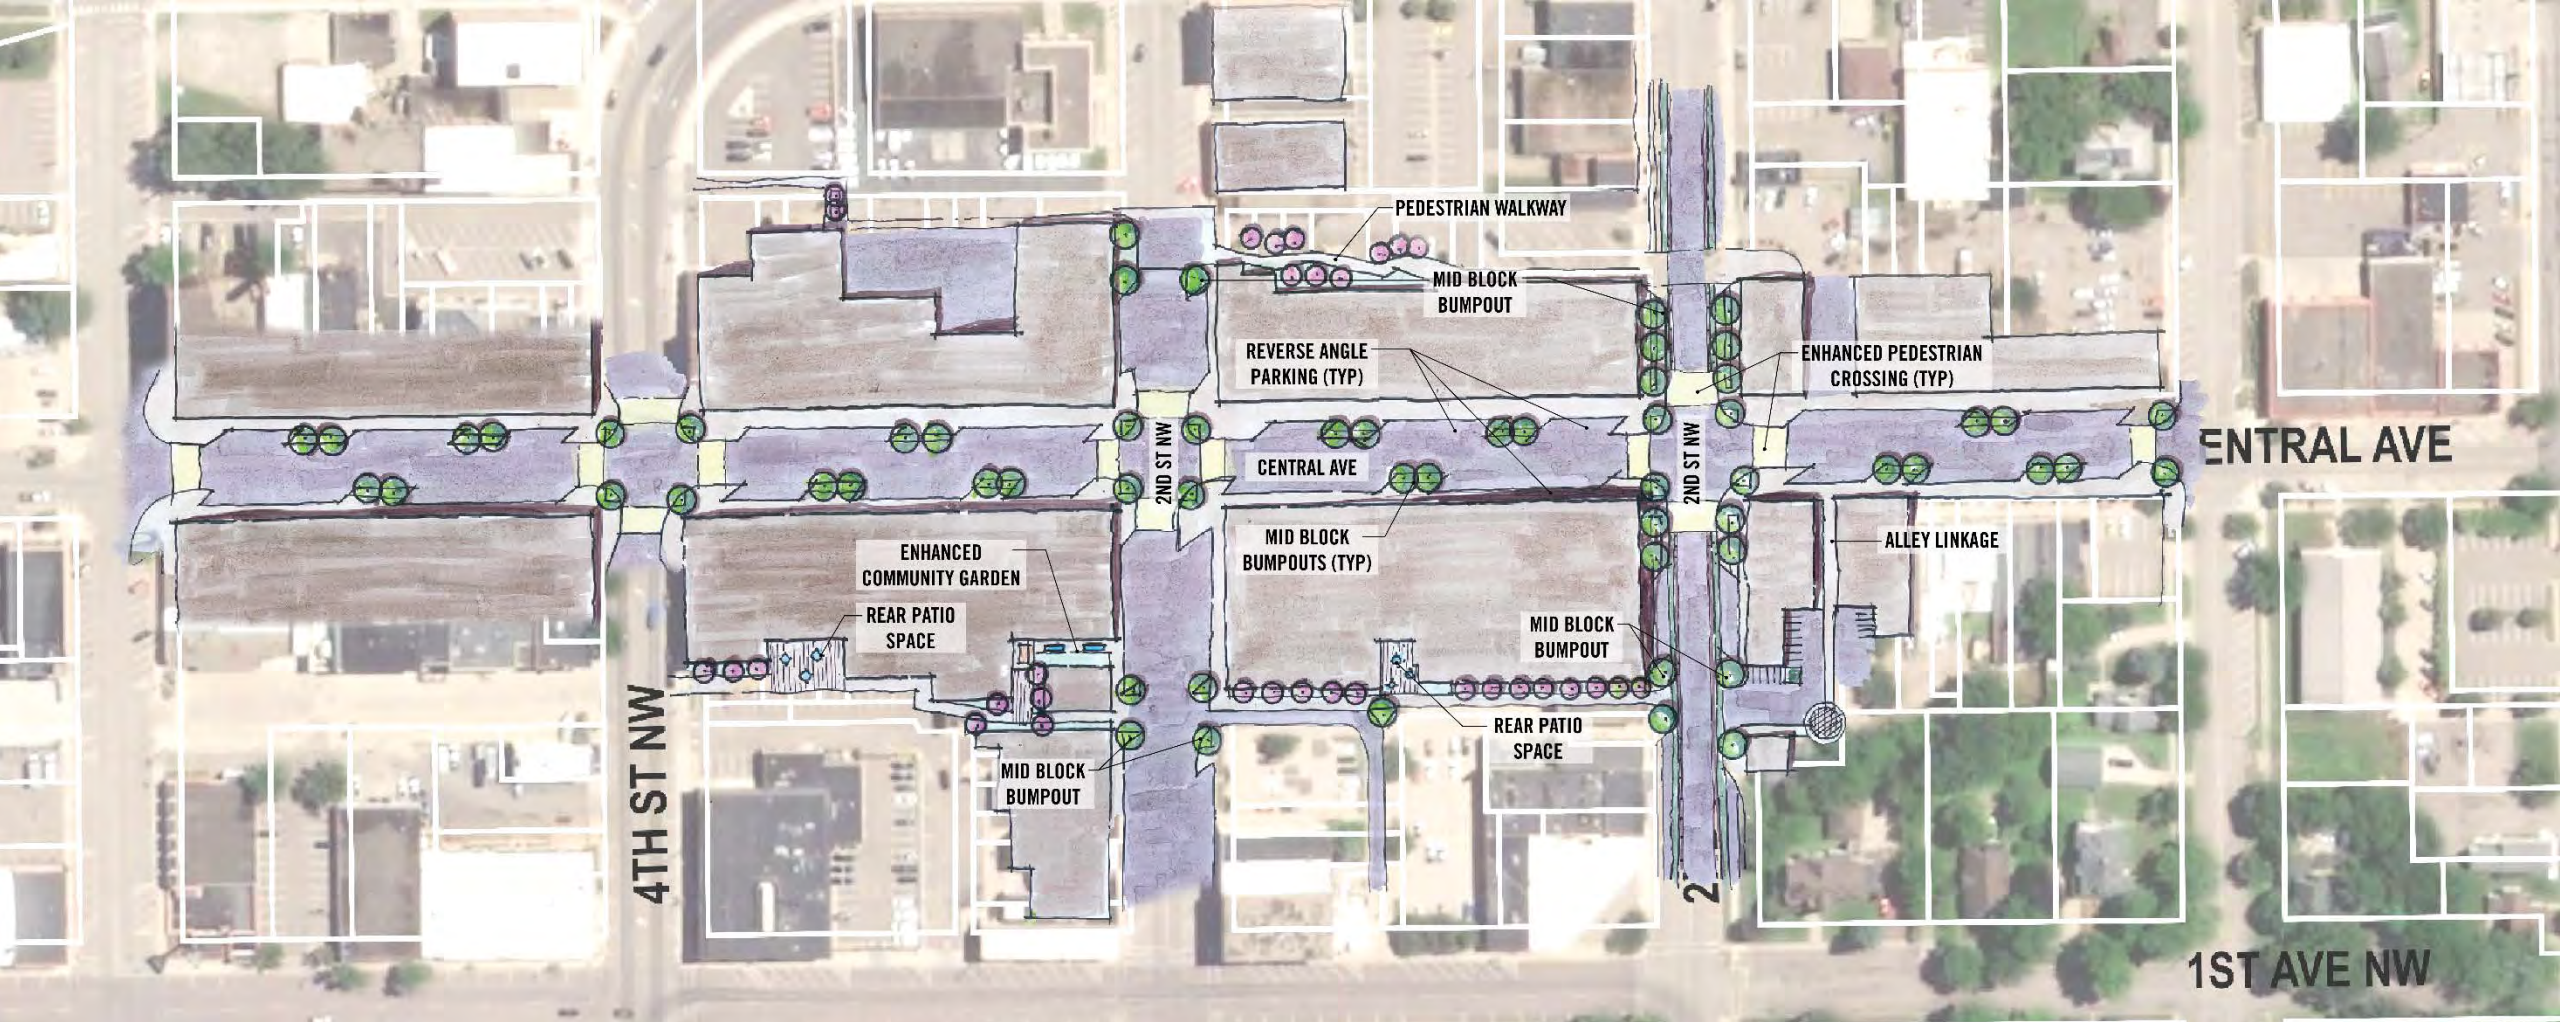

History Walk

CONCEPTS FOR
"PUBLIC REALM"

Reverse Angle Parking & Mid Block Bump Outs

Advantages:

- Safer for pedestrians and bicyclists (increased visibility)
- Very minimal cost (restriping and signage)
- Helps reduce speeds along Central Ave

Disadvantages:

- Does not increase net number of parking spaces
- Period of adjustment as motorists learn unfamiliar parking method
- More time needed to enter a parking stall

CONCEPTS FOR "HOUSING"

Housing

- ***Housing in commercial areas is generally a good thing***
 - Residents are a captive market for businesses
 - Contributes to vibrancy
 - Shared parking arrangements can work well
 - The presence of amenities attracts residents
- ***The housing market is really tight right now***
 - All types of housing are needed
 - Seniors and young families are really being squeezed
 - Rice County is currently updating a housing study
- ***Historic district – preservation and rehabilitation critical***
 - Consider an ordinance requiring owners to maintain their buildings
 - Make the review process more friendly
 - For properties not on a register, consider an interim protection ordinance
- ***Demand exists for new housing with river views and trail access***

NOW HIRING

A photograph of a park setting. A paved path curves from the foreground towards the right. To the left of the path, there is a wooden bench with a plaque that reads "In Loving Memory of Lynn Sadowski and her Love of Animals". The background is filled with lush green trees and foliage. The overall lighting is soft, suggesting an overcast day.

OVERVIEW OF UPCOMING PARKS STEERING COMMITTEE MEETING #2

Updated Park Profiles

SELVIN PARK

CONTEXT

This park is located on the northeast edge of the Cannon River Reservoir and is adjacent to the dam. Selvin Park also has pedestrian access to North Alexander Park and Two Rivers Park.

CURRENT CONDITIONS AND CONCERNS

Selvin Park has well maintained open lawn space and healthy mature trees. Access to the river can be precarious and the park does host a lot of fishing activity in the dam. The picnic shelter is well maintained but aging. The park does not meet ADA guidelines.

PARK FACILITY CONDITIONS (SITE VERIFIED)

● GOOD ● FAIR ● POOR

- PICNIC AREAS
- PICNIC SHELTER
- TRAILS
- RIVER/PONDS

SEASONAL AMENITIES

● HIGH USE ● LIMITED ● LOW USE

● SPRING ● FALL

● SUMMER ● WINTER

LOCATION : 1802 2nd Avenue NW
SIZE : 2.9 acres
CLASSIFICATION : Community Park/Playfield
REC CENTER : No
SCHOOL CONNECTIONS : None
CURRENT PROJECTS : None

TEEPEE TONKA PARK

CONTEXT

This sports focused park facility is located a quarter mile from downtown Faribault along the Straight River. It is directly adjacent to the River Bend Nature Center and connected to the nature center's trail system. The elevated railroad adjacent to the western edge of the park, the river lying to the east and south, and the low topography makes this park disconnected from the surrounding city and residential communities. The surrounding natural features, including the river and nature center, offer unique opportunities in the parks for park programming.

CURRENT CONDITIONS AND CONCERNS

The park is generally in good condition with well maintained fields and diamonds spring over the past 5 years. After each flood period, the park features need to be rebuilt and needs considerable resources to maintain. There is significant erosion along the banks of the Straight River. This creates a safety hazard at several highly trafficked locations and limits the planned access to the river.

PARK FACILITY CONDITIONS (SITE VERIFIED)

● GOOD ● FAIR ● POOR

- PICNIC AREAS
- PICNIC SHELTER
- RESTROOM
- SOCCER/RUGBY FIELD
- NATURE AREAS
- CANOE LANDING
- RIVER/PONDS

CURRENT PROJECTS : None

PRAIRIE RIDGE PARK

CONTEXT

Prairie Ridge Park is located in the southern most region of Faribault, east of highway 35. The Faribault Soccer Complex is just east of the site and agricultural fields border the south and southeast areas of the park. The park is located in a single family residential neighborhood.

CURRENT CONDITIONS AND CONCERNS

Currently, this park is open, mowed area with no vegetation or programming.

PARK FACILITY CONDITIONS (SITE VERIFIED)

● GOOD ● FAIR ● POOR

SEASONAL AMENITIES

● HIGH USE ● LIMITED ● LOW USE

● SPRING ● FALL

● SUMMER ● WINTER

LOCATION : 2000 6th Avenue SW
SIZE : 15.7 acres
CLASSIFICATION : Community Park/Playfield
REC CENTER : No
SCHOOL CONNECTIONS : None

Note: Where is the playground and restrooms?

NORTH ALEXANDER PARK

CONTEXT

North Alexander Park is a premier, destination athletic park in Faribault. Located north of the Cannon River Reservoir, the park is adjacent to and has views of the historic Faribault Wooden Mill. The Faribault Family Aquatic Center and Rice County Fairground border the north side of the park as well. This park hosts many of the City's athletic tournaments. It also has the largest play area in Faribault.

CURRENT CONDITIONS AND CONCERNS

This park is well maintained and is generally in good condition. The fencing and ball fields is in good condition and operate well for the community. The play area is also in good condition and has two age separated play equipment. They share a container. The buildings are also well maintained and heavily used. Some picnic shelters are aging and should be replaced or renovated. Many areas of the park, including the play containers, swings, and picnic areas do not meet ADA guidelines.

PARK FACILITY CONDITIONS (SITE VERIFIED)

● GOOD ● FAIR ● POOR

- PLAYGROUND
- PICNIC AREAS

SEASONAL AMENITIES

● HIGH USE ● LIMITED ● LOW USE

● SPRING ● FALL

● SUMMER ● WINTER

LOCATION : 1810 2nd Avenue NW
SIZE : 131.1 acres
CLASSIFICATION : Community Park/Playfield
REC CENTER : No
SCHOOL CONNECTIONS : None
CURRENT PROJECTS : None

CENTRAL PARK

CONTEXT

This historic park is located downtown and within walking distance to the 200 and 300 block of Central Ave. Central Park hosts the Faribault Heritage Days and other community events. Farmer's market are held during the summer and fall on Wednesdays and Saturdays.

CURRENT CONDITIONS AND CONCERNS

Overall the park is in good condition and well maintained. The gardens and mature trees appear to be healthy. The picnic areas do not meet ADA accessibility. The band shell and performance area are in very good condition but have a limited amount of space for seating. The rear of the band shell is visible to neighbors and could use a buffer or visual improvement.

PARK FACILITY CONDITIONS (SITE VERIFIED)

● GOOD ● FAIR ● POOR

- PLAYGROUND
- PICNIC AREAS
- RESTROOM
- BAND SHELL

SEASONAL AMENITIES

● HIGH USE ● LIMITED ● LOW USE

● SPRING ● FALL

● SUMMER ● WINTER

 - ✓ *Facebook page*
 - ✓ *Online survey sent to past participants*

A close-up photograph of a target with concentric rings of blue, red, and yellow. Several arrows with white fletching and red nocks are embedded in the target, with many hitting the central yellow bullseye. The image is dimly lit, with the target's colors appearing muted.

GROUP ACTIVITY: PROGRAMMING PRIORITIES

Programming Priorities Activity

Materials:

Each table has a **large ring sheet** and a bag of **facility chips**

Process:

1. Tables have **15 minutes** to place chips on the various rings based on their preferences and group discussion
2. Support facilities such as light fixtures, bike racks, restrooms, etc. are assumed to be present as part of basic park operation and are not included in this exercise
3. There are blank chips so additional site facilities can be added
4. Not all the chips have to be used!

STOP!

REPORT OUT (10 min)

REDUCE THE CHIPS TO NO MORE THAN
5 PER RING
(10 min)

STOP!

REPORT OUT (10 min)
